Knowledge is powerful. Don't miss your chance to Spring forward with Darrin Moor, FBI. Darrin will be at the Great Falls Civic Center teaching everything you need to know about FBI NIBRS. Bring your questions and be ready to learn.

This dynamic FREE training is being offered in a two day training session. The first day will cover an overview of UCR/NIBRS to include the history of NIBRS, jurisdictional guidelines, and definitions of incidents and offenses. The second day will cover data elements, and data values that make up UCR/NIBRS. There is a lot of great information packed into these two days! 16 hours of POST credit will be offered for this class.

As part of this training opportunity, you will be invited to join the MTLEIRA and enjoy the benefits that will be offered as part of this new and upcoming association.

Rooms are available at the La Quinta Inn for the state government rate. These rooms will only be held through February 28, 2009 at that rate so make your reservations early. Reservations can be made by calling and asking for the MT Law Enforcement Information and Records Association group:

**La Quinta Inn  
600 River Drive South  
Great Falls, MT 59403  
406-761-2600**

Sponsored by the Great Falls Police Department, Missoula Police Department, the Montana Board of Crime Control and MTLEIRA.

Each attending agency is encouraged to bring one door prize to be drawn throughout the two days.
